

# 2021 ACOB YOUTH GIFT CARD SALE

Please help support our youth by placing an order for gift cards. You can give them as gifts or use them yourself for everyday purchases like groceries, gas, and dining out. Budget out your next month or go Christmas shopping and buy gift cards from us to use on your purchases! You won't spend any more for a gift card than you would pay for the same products in stores. You can still bargain shop and use coupons, but the youth group profits an average of 8% from your everyday shopping and gift-giving. Think beyond Christmas to birthday and wedding gifts in the months ahead too. Please indicate the number of each card that you'd like - there is no minimum.
